

Whole Catfish - Individually Quick Frozen (IQF)

Description	Item Code	Pack Size Availability	Additional Marketing Information
5-7 oz Whole	CA-5700W000-IQF015SCP	15 lbs.	Many people love whole catfish and believe it has the best flavor in catfish. The catfish tail is a favorite. This particular size works well in restaurants for all you can eat menus, but is good for menus that serve by the piece also.
7-9 oz Whole	CA-7900W000-IQF015SCP	15 lbs.	The 7-9 oz whole catfish gives a plate a well filled look while still being a nice size to fry. It can also be smoked or grilled. It works good for menus that serve a set number of pieces per plate.
9-11 oz Whole	CA-9110W000-IQF015SCP	15 lbs.	This is a great size to grill or smoke, but can be deep fried also. It yields about 7 ounces of meat per whole fish.
13-17 oz Whole	CA-1317W000-IQF015SCP	15 lbs.	This is a great size to grill or smoke. It yields about 10 ounces of meat per whole fish.
